## PROFESSIONAL SUMMARY

Principal Engineering Leader with 8+ years of engineering experience architecting distributed cloud systems, high-frequency data pipelines, and leading engineering teams across North America.

## WORK EXPERIENCE

**Lead Architect | Global Cloud Corp | 2021-04 to Present**
• Directed architectural transformation to event-driven microservices on AWS.
• Mentored team of 18 backend engineers across 3 squads.
• Reduced platform infrastructure costs by $1.2M annually via container optimization.

**Senior Software Engineer | DataStream Labs | 2018-06 to 2021-03**
• Built real-time stream ingestion pipelines in Python, Kafka, and Redis.
• Handled over 150 million events per day with 99.99% service availability.
• Designed automated test suites using PyTest and Docker.

## WORK EXPERIENCE (CONTINUED)

**Software Engineer | Apex FinTech | 2016-01 to 2018-05**
• Implemented core financial transaction APIs using Python, Django, and PostgreSQL.
• Enforced strict SOC2 compliance, HMAC authentication, and encrypted data storage.

**Junior Developer | Venture Studio | 2014-06 to 2015-12**
• Developed full stack web applications using Python, JavaScript, and MySQL.
• Collaborated with product designers to ship 6 client web applications.

## EDUCATION

**Master of Science in Software Engineering | 2012 - 2014**
Columbia University, New York

**Bachelor of Science in Computer Engineering | 2008 - 2012**
New York University

## TECHNICAL SKILLS

• Languages: Python, Go, Java, TypeScript, SQL
• Frameworks: FastAPI, Django, Flask, Spring Boot, React
• Databases: PostgreSQL, Redis, MongoDB, Elasticsearch, Cassandra
• Cloud & DevOps: AWS, Kubernetes, Docker, Terraform, CI/CD, Linux

## PROJECTS

**EventBus Core | Python, Kafka, Redis | https://github.com/marcusvance/eventbus**
High-throughput distributed event broker library with zero external daemon dependencies.

## CERTIFICATIONS

• AWS Certified Solutions Architect – Professional (2023)
• Certified Kubernetes Administrator (CKA) (2022)

## LANGUAGES

• English (Fluent), French (Professional)
